

Fire Department 911 Address Sign Fundraiser

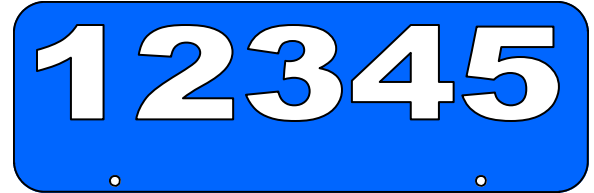

The Program -

MY-LOR, Inc. is pleased to announce a new product line that aids your department in response to the correct address, promotes communication and interaction between the fire service and the public you serve, and provides financial benefits to your department.

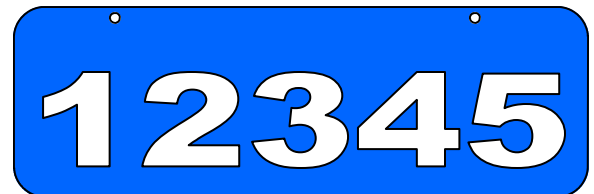

Our 911 Address Sign Fundraiser is unique in that your department makes no material purchases to start or maintain this program. Your department members promote the 911 Address Signs to property owners in your area, collect the fees and send the sign orders to MY-LOR, Inc. We do all of the sign work for you. We manufacture the sign and ship it to your department or directly to the property owner. We then bill your department a flat fee for the sign (includes shipping and handling). The department retains the difference between the collected payment and the cost of the signs.

The Details-

- Your Department spends NO money for supplies.
- We provide PDF flyers and PDF order forms you can reproduce.
- You make the sale, collect the money and fax (or email) the order to MY-LOR.
- We manufacture the sign and ship it to the customer or your department for delivery (you decide which).
- We bill your department \$15.00 per sign.
- Your department keeps the difference between the selling price of the sign (we suggest a minimum selling price of \$20.00) and the \$15.00 paid to MY-LOR, Inc.
- If you sell the signs for a higher price, you keep the additional profit.

The Signs -

- 6" x 18" Painted aluminum.
- 3" High Engineer Grade Reflective Material numbers.
- Available in four different mounting configurations.
